Dear Turtle Families,

We have had a great start this school year! Our students are doing a great job with following our rules and expectations and learning is in full swing! Safety Patrol has begun and they are helping patrol our campus. Please remember to have your children wear closed toed shoes. They are the safest for PE and recess. Thank you for helping us be safe! This year we started Eureka math. I know that many of you are having a difficult time helping your children at home. It's ok. We will learn this together. We will be having a Eureka night soon. Stay tuned for details. I encourage you to come so that you can be more informed about our math curriculum. Our school is enrolled in a grocery bag competition. Please send any grocery bags that you do not want to the front office. If our school wins, we will get a new bench for our school made out of recycled bags. You may bring the bags ASAP ☺. If you are interested in learning about LMES and having a voice in all that we do, please consider joining our School Advisory Committee. We meet once a month at 7:45 am. Please contact us for more information.
Sincerely, Mrs. Hermansen

NOTIFICATION OF INSPECTION FOR ASBESTOS CONTAINING MATERIALS IN PUBLIC SCHOOLS

The Environmental Protection Agency (EPA) has issued a final rule, 40 CFR Part 763, Asbestos Containing Material in schools, commonly referred to as AHERA. This rule requires all Local Education Agencies (LEA's) to identify asbestos containing materials (ACM) in their school buildings and to take appropriate actions to control the release of asbestos fibers.

All inspections for Lake Myrtle Elementary have been completed and a Management Plan describing the results of the inspection and the action plan to control any asbestos found during the inspection, where applicable, has been submitted to the governor for approval. A copy of this plan is located in the administrative office of this school and at the Pasco County Schools Maintenance & Facility Services Department and is available for review upon request.
