

LMES PTA Membership 2016-2017

Welcome Lake Myrtle families and staff to a new school year!

For our schools PTA to be successful, it is essential to receive support from our families and teachers. Our goal is to help build an enriching environment for our children. We would also like to provide programs that not only educate, but also build a sense of community. The funds we receive from membership dues and fundraising efforts allow us to accomplish our goals. Thanks to your support, we have been able to provide Lake Myrtle with:

- ❖ New items of technology
- ❖ Educational materials and programs

Becoming a member of the PTA is an important way you can show your support for our children, our school, and our community. An added benefit of becoming a member of the LMES PTA is that you automatically become a member of the National PTA at no extra charge! This allows you to gain money saving discounts from businesses that also support the PTA. Visit: www.floridapta.org for the list of these businesses.

I look forward to meeting you at our general membership meeting, August 23, 2016, January 17, 2017 and May 2, 2017 at 6:00pm.

As a business sponsor of Lake Myrtle PTA, you are supporting LMES PTA efforts in helping facilitate an enriching educational environment for LMES students and providing programs that not only educate, but also build a sense of community. You are also supporting LMES staff and administration and the surrounding community. As a bonus, you have the opportunity to advertise your business to our Lake Myrtle families by offering products or services of your business and/or financial contributions.

Please consider a donation of products/services/gift cards or a financial contribution in any amount for any of our programs during the year.
