

LAKE MYRTLE ELEMENTARY

Good Afternoon Turtle Families,

Welcome to the end of the school year! It is hard to believe summer is here. I want to take a moment to thank our families for their ongoing support and continuous dedication to our students. This has been a very successful year for all.

Summer Reading Challenge

As you prepare for the summer please remember that it is extremely important for students to continue to read. This summer Lake Myrtle is participating in the **Scholastic Summer Reading Challenge**. Research tells us that students that do not practice Reading and Math skills over the summer are at risk for losing the achievement gains made during the school year. By participating in the summer reading challenge kids are likely to “leap ahead” when they head back to school.

To participate, refer to the Scholastic Reading Challenge letter for your child’s access. Simply have your child read and log their minutes. Students will have an opportunity to earn prizes and unlock additional books. The goal is for our students to read the most minutes possible in an effort to win “Best in State” recognition and a mention in the Scholastic Book of World Records.

Other Educational Resources

If you are looking for additional educational resources throughout the summer to help keep your child’s skills sharp, please visit our school website <http://lmes.pasco.k12.fl.us> and click on students. There you will find a variety of resources in all subject areas to support your child.

Supply Lists

Grade level supply lists will be posted by mid June. Please continue to check our website to locate your child’s supply list.

As always if you have any questions please don’t hesitate to contact me. Have a great summer!

Sincerely,

Jessica Clements
Principal

Calendar

- ❖ June 3rd- Human Sundaes event
- ❖ June 3rd- Music Performance K and 1
- ❖ June 3rd- Intermediate Turtle Token Store
- ❖ June 6th- Turn Around Celebration
- ❖ June 8th- Fifth Grade Jump Up Ceremony
