

## LAKE MYRTLE ELEMENTARY

Good Afternoon Turtle Families,

It's hard to believe we are already in February. These last few weeks have been extremely busy and we have several upcoming events this month.

### **Perfect Attendance**

This year, Lake Myrtle is recognizing students who have earned perfect attendance for semester 1. In order to receive this award, students must be in school each day, all day long. Students are not eligible to earn perfect attendance if they have tardies. Please remember that every minute of our instructional day counts! Congratulations to those students who have earned this award.

### **100<sup>th</sup> Day of School**

Lake Myrtle will be celebrating the 100<sup>th</sup> day of school on Friday, February 5<sup>th</sup>. In order to celebrate this milestone, we are inviting all staff and students to dress as if they are 100 years old. Please remember that all dress must be school appropriate and not interfere with learning. For any questions, please see your child's teacher.

### **Jersey Mikes Fundraiser**

We are pleased to announce a new business partnership with Jersey Mikes. Jersey Mikes is opening a new location off of 54 and Collier and has invited LMES to be a part of their grand opening on February 10<sup>th</sup>. This fundraiser will benefit LMES as well as a few other schools in the area. The fundraiser will run from 4-8 pm, more information to come.

### **STEM Night February 11<sup>th</sup>**

Join us on February 11<sup>th</sup> from 5:00pm-7:00pm for fun night of science experiments, design and building challenges and exploration of technology. Please see flyer previously sent home to RSVP by Friday, February 5<sup>th</sup>

### **FSA Testing**

FSA Testing for grades 3-5 is quickly approaching. The first assessment FSA ELA Writing, will begin 2/29-3/11 for students in grades 4-5. FSA ELA, Math and Science will begin after spring break and run until the end of the year. Please be mindful when scheduling appointments and any vacations, so they do not fall during testing. As the dates get closer, we will communicate additional information.

As always, if you have any questions or concerns please don't hesitate to contact me.

Sincerely,

Jessica Clements, Principal
