

LMES PTA Membership 2015 – 2016

Welcome Lake Myrtle families and staff to a new school year!
For PTA to be successful, it is essential to have support from our families and teachers.
Our goal is to help build an enriching environment for our children. We also want to provide programs that not only educate, but also build a sense of community.

The funds we receive from membership dues and fundraising efforts allow us to accomplish our goals. Thanks to your support, we have been able to provide Lake Myrtle with:

- iPads
- after school activities, like the Spring Carnival
- yearbooks
- AND MORE

Becoming a member of the PTA is an important way you can show your support for our children, our school, and our community. An added benefit of becoming a member of the LMES PTA is that you automatically become a member of the National PTA at no extra charge! This allows you to receive many money saving discounts from businesses that also support the PTA. Visit: www.pta.org or www.floridapta.org for the list of these businesses.

We look forward to seeing you at the next PTA meeting and hope you have a great school year!
