

Lake Myrtle Elementary's

science•technology•engineering•math

Night

Thursday, February 11 from 5-7

Join us for a FUN
night of science
experiments, design
and building
challenges, and
exploration of
technology.

All grade level students
are encouraged to
attend this free event!

Parents must accompany their child(ren) through stations.

Please complete the bottom portion of this flyer and return to your child's teacher.
