

Lake Myrtle Elementary School

Great American Teach-In

Wednesday,
November 16, 2016

To celebrate American Education Week, schools across the county will open their doors for the Great American Teach-In.

Parents, community partners and retirees, are invited to share their work and educational experiences with our students. It is our hope that you will be able to join us to share your knowledge and expertise to inspire our students.

Guest presenters will talk to students about their work, careers, hobbies, and professional experiences. Presenters will speak for 30 minute sessions between 9:00am and 2:00pm

If you would like to volunteer, please complete the Great American Teach In presenter interest form.

If you have any questions, please contact our Learning Design Coach, Kendra Hutchinson, at 813-794-1000 or khutchin@pasco.k12.fl.us
