Principal: Megan Hermansen

Assistant Principal: Michelle Hartman

If you have a child beginning kindergarten next school year at Lake Myrtle, please join us!

Thursday, April 6th, 2017
6:00 pm – 7:00 pm

The event will begin in the media center with an informational presentation from administration.

Don't forget we would like our future K students to join the event. They will get to preview the classrooms, participate in fun activities and conduct a quick screener while you meet with the Principal & Assistant Principal.

We can't wait to meet our new turtle students and families!
