

Red Ribbon Week Activities Survival Guide 2017

Theme: Team Up Against Drugs

October 23rd - 27th

- **Lesson/Story Time** - The classroom time will focus on “Drug Education” for 4th and 5th grade students and “Healthy Choices” for K-3. (More details on signing up will be provided via email.)
- **Decorations** – red ribbons, banners, team decor, etc.
*Class Contest – Classes are encouraged to decorate their windows with a Red Ribbon Week theme. Each class that enters will have an entry in a raffle for a popcorn party. A primary and intermediate winner will be chosen. (More instructions to come via email.)
- **Daily Trivia Questions** – A trivia question will be displayed on a dry erase board located outside of the media center each day, from Monday through Thursday. The questions will also be read on TNN. Students may individually answer the questions and place their answers in the designated answer buckets (one for primary and one for intermediate) located in the front office on the counter. Names will be drawn from each bucket daily, and the winners will be announced the following day after the pledge.

(Hint: It might be helpful to have your students answer the questions on a slip of paper, index card, etc. in class, and then have two students bring the answers to the office.)
