24	25	26	27	28	29	30/31 Happy New Year!

Dear Turtle Families,

We hope you had a fantastic Thanksgiving break! November was a busy month. We had our school Turtle Fun Run fundraiser. Thank you to those who contributed and or came to watch the Fun Run. The students had a great time participating!! We also want to thank all of our families who joined us for our Veteran's Day celebration. It was a wonderful performance! We also had our Eureka Math Night. Thank you to those who attended. If you did not get to attend, you can go to our LMES home page to find the power point and homework resources you can use for your reference throughout the school year. We hope you find these resources helpful! December is another busy month. Don't forget to have your children purchase items from our holiday shop. This is a great student independent activity that promotes problem solving and real life skills. The students love to budget and purchase items for their loved ones. Good luck to our 4th and 5th grade Terrapin Sound Machine who will be performing at the LOL Community Center located on LOL Blvd. at 5:15 pm. You will make us proud! **Winter Break begins December 23 and ends on January 8th. Students return on Tuesday, January 9th.** Remember to continue reading and working on your math skills over break. We hope you enjoy your winter break. See you in 2018!

Sincerely,
Mrs. Hermansen
