Happy New Year Lake Myrtle Families!

We hope you enjoyed your Winter Break. Let's start this year off right by coming to school every day on time and ready to learn. We have a two scheduled music performances this month for our second and third grade students at Wesley Chapel High School Performing Arts Center. Our students are always proud of showing off what they have learned in music. We hope you can watch them perform!

We usually have some unpredictable weather between January and March. Students should be dressed appropriately when they come to school with jackets and other needed items. Remind your child to keep track of their jackets and personal clothing because our lost and found has been overflowing with lost clothing and items. Labeling your child's things with their first and last name is helpful. Items found around campus can easily be brought to their classroom.

Testing season will soon begin for our intermediate students. Students who are testing need to be at school on time so that they may test with their class or group. Research shows that students who test with their class or group perform their best. On the back of this calendar are the dates for testing. Please mark your calendars!

Sincerely,
Mrs. Hermansen
