29	30 FSA Math-Gr.3 FCAT Science Gr. 5 Quiet Campus/No visitors for lunch, etc.					

Dear Turtle Families,

I hope you have enjoyed your spring break and that you and your child are relaxed and ready to finish this year strong!! This month begins testing season. Please remember that when your child is scheduled to take a test that they arrive to school on time and are ready to participate with their class or group. Research shows that students who take a standardized test with their class perform better. You will also want to help your child by keeping to a normal routine and encouraging them to do their best and show us what they know.

Since we are a family and a "team", I would like students and staff to wear sports gear on every testing day. I have also bought special prizes that students will earn by doing their best. I know our primary K-2 students will be cheering on our intermediate 3-5 students! Let's fill this month with positive and encouraging words for all.

Thank you for all your support!

Sincerely,
Mrs. Hermansen
