Dear Turtle Families,

This is the last month of school. Can you believe it? We have so much to celebrate!

First, I want to thank our students for all their hard work this school year. I want to also thank our amazing staff for their hard work in making our students successful. Each of you plays a vital role in our students' lives. I see the growth and the smiles on their faces. A big thank you, as well, to our parents and families for all your support. It takes a great partnership to build a successful school.

As this year comes to a close, I wish our fifth graders much success as they continue their educational journey in middle school. To all our turtles returning next fall, continue to read and keep up with your math facts this summer. We want you to come back strong.

Have a great summer!

Sincerely,
Mrs. Hermansen
